Dear Supporters;

On behalf of Masbia Soup Kitchen Network, I would like to thank Ohr Chadash for your generous gift of \$148.70. Your commitment to helping to feed hungry men, women and children in our community is sincerely appreciated.

As Masbia continues to advance our mission of providing hot, nutritious meals everyday for hundreds of New Yorkers in desperate need of food, we graciously extend our table as if it was your own. Valuing dignity and respect, our "restaurant without cash registers" soup kitchen model (*People Magazine*, March 2014) and weekly client-choice food pantry program help break down the barriers that inhibit many of those in need from meeting their most basic need.

Since its inception Masbia has been constantly experiencing tremendous growth, and this year alone, we are projecting to serve over 2 million meals. Masbia's small staff and large volunteer supporter system try to ensure that no one is turned away hungry.

As an integral piece of New York City's fight against hunger, Masbia continues to make a difference in the communities we serve. With the help of donations from community partners like you, we will continue to see improvements in the lives of thousands of hungry New Yorkers in need.

Thank you again for your generous support of our efforts to be where the rubber meets the road against hunger.

Sincerely yours,

Alexander Rapaport
