Dear Rabbi Tomsky and Students,

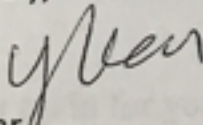

On behalf of the children and families of *Chai Lifeline*, thank you for your efforts and dedication during your school's Tzedakah, by raising **\$140.00** this year. We are touched by your sensitivity as you showed you TRULY CARE for Chai Lifeline's kids!

We want to let you know that your generous support will help Chai Lifeline's campers have an extraordinary summer. More than 400 very sick children and teens will have a unique opportunity to find friendship and support from others going through similar situations. Instead of being left on the sidelines, they will play sports adapted to their abilities, create wonderful works of art and craft, participate in plays and musical productions, and thoroughly enjoy themselves during concerts and interactive games.

We hope you gained from this special opportunity for *chesed* and *tzedaka* as much as our campers gained from your dedication.

We hope this partnership continues on their behalf for many years to come.

Sincerely,

Yoel Kar
Kids4Chai Coordinator

P.S. If additional funds have been collected, please forward to Chai Lifeline at 106 Clifton Avenue Lakewood, NJ 08701 Attn: Kids4Chai or www.kids4chai.org.

Be sure to include your school's name on the return address or include a note with the money to ensure that the funds can be credited to your school's account.
